OFFICE OF THE GAZETTE, | FORT WORTS. TEX., Jan. 17, 1887. There was s marked improvement in trade to-day is most lines. The offerings of eggs are very heavy and the price has declined.

Wool is off 1 cent with very little in Wool is off a cent with very little in patied States threes. Four and one-halfs. New iours. Pacific sixes. market.

The supply of butter is large and the tendedcy is downward.

NORTHERN CAPITAL IN THE SOUTH.

Touching the declaration that the North is gradually scooping up all the available property in the new South, we say let her continue to "scoop." We have no fear of disastrous results to the South from such a proceeding. Nearly every purchase of property in the South by Northern men means the sterting of some new enterprise and a demand for Southern pluck, brains, and co-operation.
